

COVID-19 SOLIDARITY FUND

COMMUNIQUE

Call for Proposals

The COVID 19 Solidarity Fund has been established under the Finance and Audit (COVID-19 Solidarity Fund) Regulations 2020 made under the Finance and Audit Act.

The objective of the COVID 19 Solidarity Fund is to contribute to funding of projects, programmes and schemes related to COVID-19 and other related public health issues and provide support to citizens and organisations affected by COVID-19.

Following the resurgence of the COVID-19 pandemic leading to a second lockdown, the COVID 19 Solidarity Fund is inviting applications from organisations/NGOs/NPOs, having a legal identity, to submit project proposals with a view to assisting vulnerable households facing hardship and in need of food, sanitary and health support.

The applicants are required to give full justification to back their respective project proposals and show evidence that the households identified for provision of support are genuine cases.

The proposals should be submitted online at the link https://eservices5.mra.mu/covidsolidarity/organisations_institutions.jsp.
